answer	any	blue	eight	dreamt

I had such an odd dream last night. I 9
 dreamt that I lived in a place called "Happy 18
 Valley" and I lived on a farm. On the farm, 28
 we had eight blue turkeys. Yes, that's what I 37
 said... eight blue turkeys. I called out to the 46
 turkeys and they would only answer to the 54
 name of "Chuck". Who would have eight blue 62
 turkeys named Chuck? Well, I guess in my 70
 dream, I did! I wonder if I will have any blue 81
 pigs in my next dream. 86
